**AGENCY COMMUNICATION (ATTORNEY/CLIENT PRIVILEGED COMMUNICATION)** Ref.: GCEC 15-0038

To: Executive Director, Guam Commission for Educator Certification

From: Assistant Attorney General

Subject: GCEC Complaint Form

This is in response to your request to review the attached complaint form.

The attached complaint form appears to include everything that the GCEC rules require. However, please note the following comments to the attached complaint form.

It is recommended that the complaint form remain consistent with the statute and the rules. In Section 7 of the complaint form, the last box should refer to "educator misconduct" as cited in 17 G.C.A. § 27008(i). Unfortunately, the term "educator misconduct" is not defined in the statute or rules. I am assuming "educator misconduct" refers to not meeting the standards of professional conduct as provided in the rules. I note that the rules were drafted prior to the amendment in the statute that authorizes GCEC to investigate "educator misconduct" complaints. Since it is unclear, it is recommended that the rules or statute clarify what is meant by "educator misconduct" and avoid possible challenge of the breadth of such investigation.

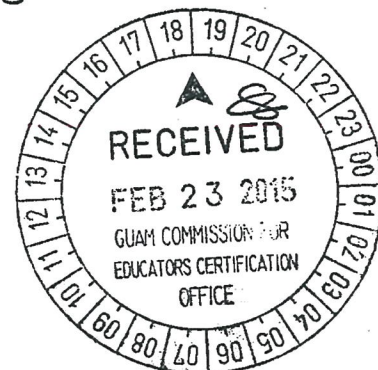

Also please amend the complaint form so that the notarized declaration and signature immediately follow the complainant's signature. They should not be on separate pages as the purpose for the notary is to authenticate the signature.

Respectfully Submitted
